

HOTBOX

RGBA

High Output, RGBA Color Mixing

Exceptional Quality

HotBox RGBA fixtures offer 7x 10W 4-in-1 RGBA LEDs, advanced electronics, and a rock-solid aluminum casing with dual hanging brackets, all wrapped up in a cute little package. It weighs in at just 3.5 pounds and is only 4 x 5 x 5 inches (7.25 inches tall including the brackets.)

Innovative Design

It puts out a ton of light, and its user selectable 3/4/5/8 or 9 DMX channel modes allow them to work great with any type of controller. It offers RGBA color mixing, 31 built-in programs, flicker-free 32-bit dimming, and even easy HSV color mixing ability in 3-channel DMX mode.

Luminous Intensity

Beam	2M	2.5M	3M	4M	5M
25°	4,058	2,498	1,687	951	606

Main Features

- 7x 10W RGBA 4-in-1 LEDs, 100,000 hrs.
- Variable electronic dimming & strobe
- Built-in color & chase macros via DMX
- Built-in automated programs via master/slave
- Built-in sound active programs
- Color mixing ability in standalone mode
- 3/4/5/8/9-channel DMX profiles
- Flicker-free constant-current LED driver
- 25 degree beam angle
- Easy-to-use, 4-button control menu
- Dual mounting brackets for positioning flexibility
- 3-pin male/female XLR input & output connections
